

## ABOUT VIT

Vellore Institute of Technology (VIT) was founded in 1984 as Vellore Engineering College by the Chancellor Dr. G. Viswanathan. From its humble beginning, the institution has grown exponentially to that of having more than 33,000 students at present. Students from all over India and more than 50 countries are studying at VIT. University status was conferred in 2001 by MHRD Govt. of India in recognition of its excellence in academics, research and extracurricular initiatives. Currently, VIT has 4 campuses – in Vellore, Chennai, Amaravati (AP) and Bhopal (MP). The National Institutional Ranking Framework (NIRF) of the MHRD, Government of India, has identified VIT as the best Private Engineering Institution in India in the year 2016 and 2017. VIT has gone for accreditation by NAAC [India], IET [UK], and ABET [USA] and follows world class academic processes. VIT is the first and only University in India to get 4 star rating from QS, the world universities ranking organization. The Industry consortium FICCI, has declared VIT as the “University of the Year 2016”, in India. VIT has also been ranked in the top 201 -250 in QS BRICS Ranking.

## ABOUT SITE

The School of Information Technology & Engineering (SITE) emphasizes the fields of Information Technology and Domain Specific Applications so as to facilitate the evolution of skills in students to help them attain a higher degree of knowledge, global competency and excellence, for the betterment of the society.

## ABOUT THE VIRTUAL CONFERENCE

The objective of the conference is to provide a professional forum to discuss and apply the most recent knowledge pertaining to national and international data research. Eminent professors from Malaysia, Korea and Saudi Arabia will be a part of this conference. Relying on vehicular communication in the digitalized world becomes inevitable in nature. Adding flavour to it is internet of things by connecting and controlling devices remotely which makes it more unique. To generate and analyse the huge data is indeed the challenging task. Big data is the iconic jargon in the world that emphasis to derive knowledge.
