

VIT[®]

Vellore Institute of Technology
(Deemed to be University under section 3 of UGC Act, 1956)

Vellore Institute of Technology

Katpadi - Tiruvalam Road

Vellore - 632 014

Tamilnadu, India.

MANDATORY DISCLOSURE

2023-24

AICTE Mandatory Disclosure

1. Name of the Institution

| | | |
|------------------------|---|---|
| Name of the University | : | VELLORE INSTITUTE OF TECHNOLOGY |
| Address | : | Katpadi Thiruvallam Road, Vellore – 632014 Tamil Nadu, India. |
| Telephone Number | : | 416-2243091 / 93 |
| Mobile | : | 9566656773 |
| E-Mail | : | registrar@vit.ac.in |
| Website | : | www.vit.ac.in |

2. Name and address of the Trust and the Trustees

| | | |
|------------------------|---|--|
| (i) Name of the Trust | : | VELLORE INSTITUTE OF TECHNOLOGY |
| (ii) Address | : | No. 54, Thennamaram Street, VELLORE-632001, Tamil Nadu |
| (iii) Telephone Number | : | 416 - 2202030 |
| (iv) Mobile | : | 9566656773 |
| (v) E-Mail | : | registrar@vit.ac.in |

| Name of the Trustee | Designation |
|-------------------------------|-------------|
| Dr. G. Viswanathan | Chairman |
| Shri. Sankar Viswanathan | Member |
| Dr. Sekar Viswanathan | Secretary |
| Shri. G.V. Selvam | Member |
| Dr. Sandhya | Member |
| Smt. Anusha | Member |
| Ms. Kadhambari S. Viswanathan | Member |

3. Name and Address of the Vice Chancellor

Name of the Vice Chancellor : Dr. Kanchana Bhaaskaran V S
Exact Designation : Vice Chancellor (i/c)
Phone number with STD code : 0416 - 2202921
Email : vc@vit.ac.in

4. Name of the affiliating body

Ministry of Education (Higher Education)

Government of India

107-C, Shastri Bhawan,

New Delhi – 110001

Website : <https://www.education.gov.in/en>

MHRD Approval Number and Date : 9-2/99-U-3 ; 19-06-2001.

University Grants Commission (UGC)

Bahadur Shah Zafar Marg,

New Delhi - 110002.

Website : <https://www.ugc.ac.in/>

UGC Approval Number and Date : F. 6-3/2001CPP(I), 25-09-2001.

5. Governance

The institution is committed towards its vision of "Transforming life through excellence in education and research" and adopts professional approach in governance. All the statutory bodies of the institution are fully functional and take timely decisions on all policy matters. Institution encourages the inclusive engagement of faculty members in decision making, implementation and monitoring of all its activities. Decentralization and participative management in all domains of activities.

The institution recognises the service and dedication of the faculty and staff and has rolled out several welfare measures for their benefit. Faculty members are encouraged to attend professional development programmes with financial support. A transparent annual performance appraisal system is followed for teaching and non-teaching staff. The institute is financially stable and takes conscious efforts to enhance funding through research projects, consultancy and alumni contribution. Internal audit and external statutory audit are conducted regularly and audit objections are addressed. VIT-IQAC strives to attain excellence in all academic and administrative endeavours.

Significant outcomes of IQAC initiatives are:

- Accreditation – NAAC, ABET, ACBSP, ACCA
- National Ranking – NIRF, ARIIA
- International Ranking/Rating – QS, THE, QS BRICS, QS STAR
- Received letter of intent for “Institution of Eminence” status by MHRD
- UGC Graded autonomy
- Submission of All India Survey for Higher Education (AISHE)
- Promoting Technology Enhanced Learning – MOOC
- Swachh Bharat Summer Internship Program
- Swachhta Ranking
- Promotion of Quality Circle
- Annual Quality Assurance Report
- Feedback from stakeholders

Members of the Board and their brief background

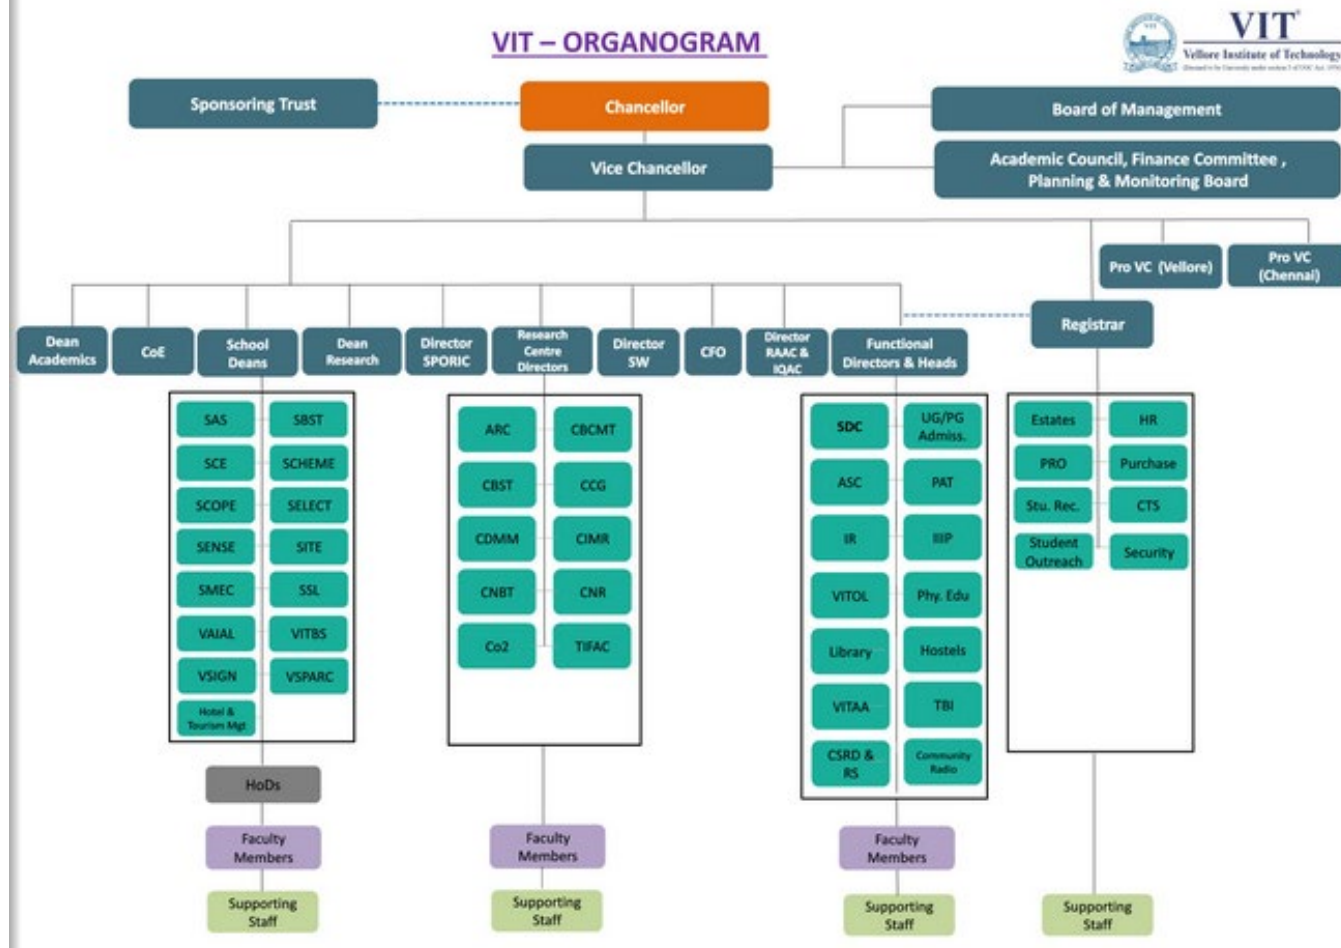

Members of Academic Advisory Body:

<https://vit.ac.in/governance>

| Name of the body | Frequency of Meetings | Date of Last Meeting |
|------------------|-----------------------|----------------------|
|------------------|-----------------------|----------------------|

| | | |
|---------------------|--------|--|
| Board of Management | 4/Year | |
| Academic Council | 4/Year | |

Organizational chart

- **Nature and Extent of involvement of Faculty and students in academic affairs/improvements**

The deployment of world class education starts with curriculum framing by a school level committee which benchmarks the programme against renowned institutes. The proposed content and pedagogy is recommended by the Board of Studies to Academic Council for approval. The approved programmes are explored for implementation by the Planning and Monitoring Board and further taken up with BoM for final approval. Once approved, the programme is further refined based on the feedback by students, teachers and industry experts. The teachers are empowered to adopt or change the

content based on advancements in the field and student's feedback. The IQAC recommends innovative practices and ensures effective implementation.

- **Mechanism / Norms and Procedure for democratic / good Governance**

VIT has adopted decentralization, participative management and empowerment in all academic, administrative, finance, research and outreach activities. The administrative structure reflects completely decentralized system with well-defined roles and responsibilities. VIT provides ample opportunities to its major stakeholders viz. students, faculty, staff, alumni and employers to participate in the development of the institute. The stakeholders have representations in all statutory bodies and university level committees / cells.

- **Student Feedback on Institutional Governance / Faculty performance**

To improve the teaching-learning process, feedback is obtained from the students through quality circle meetings and end semester feedback. Various committees at school level involve students along with faculty and staff to independently manage the activities related to quality assurance, placement and training, alumni engagement, clubs and chapters, conduct of conferences, seminars, workshops, guest lectures and arrangement of field visits.

Link for student's academic feedback: <https://vit.ac.in/academics-feedback>

Link for student's satisfaction survey: <https://vit.ac.in/academics/iqac>

- **Grievance Redressal mechanism for Faculty, staff and students**

General Grievance Redressal Committee has been constituted as per the UGC (Grievance Redressal) Regulations, 2019 with the following members,

Grievances, if any, can be brought to the notice of the any of the committee members for necessary action and redressal.

<https://vit.ac.in/campus-category/grievancecell>

- **Establishment of Anti Ragging Committee**

Anti-Ragging Committee is constituted with the Chair person, Member, Squad faculty members. VIT gives immense emphasis on maintaining a ragging free campus. If any student has any grievance, including any kind of harassment, the same can be brought to the notice of the Chairperson or any of the Committee Members from various schools,

for necessary action and redressal.

<https://vit.ac.in/anti-ragging-committee>

- **Establishment of Internal Complaint Committee (ICC)**

If any woman faculty, staff or girl student has any grievance, including any kind of harassment, the same can be brought to the notice of the Convenor or any of the Committee Members for necessary action and redressal.

<https://vit.ac.in/internal-complaints-committee>

- **Internal Quality Assurance Cell**

The Internal Quality Assurance Cell (IQAC) was established in 2007 at Vellore Institute of Technology (VIT) as a post-accreditation quality sustenance measure. The IQAC has been constituted as per the recommendations of the National Assessment and Accreditation Council (NAAC). The IQAC ensures the effective implementation of quality initiatives through continuous reviews and periodic meetings. The IQAC works towards attaining excellence in all academic and administrative endeavours of the institution.

6. Programmes

Programmes approved by AICTE and intake for 2023-24 is listed below.

F.No. Southern/1-38666710930/2023/EOA

Date: 10-June-2023

| S.No | Undergraduate Programmes | Approved Intake 2023-24 |
|------|--|-------------------------|
| 1 | Architecture | 80 |
| 2 | Biotechnology | 180 |
| 3 | Chemical Engineering | 120 |
| 4 | Civil Engineering | 120 |
| 5 | Bachelor of Design (B.Des.) | 30 |
| 6 | Computer Science and Engineering with Specialization in Bioinformatics | 120 |
| 7 | Computer Science and Engineering with Specialization in Information Security | 240 |
| 8 | Electrical and Electronics Engineering | 180 |

Vellore Institute of Technology, Vellore - AICTE Mandatory Disclosure

| | | |
|----------------|---|--------------------------------|
| 9 | Electronics and Instrumentation Engineering | 60 |
| 10 | Electronics and Communication Engineering With Specialization in Biomedical Engineering | 60 |
| 11 | Electronics & Communication Engineering | 600 |
| 12 | Information Technology | 420 |
| 13 | Mechanical Engineering with Specialization in Automotive Engineering | 60 |
| 14 | Mechanical Engineering | 600 |
| 15 | Computer Science & Engineering | 1080 |
| 16 | Computer Science and Engineering with Specialization in IoT | 240 |
| 17 | Computer Science and Engineering & Business Systems | 180 |
| 18 | Computer Science and Engineering with Specialization in Data Science | 300 |
| 19 | Computer Science and Engineering With Specialization in Block Chain Technology | 120 |
| 20 | Mechanical Engineering (Manufacturing Engineering) | 60 |
| 21 | Construction Technology | 120 |
| 22 | Manufacturing Engineering | 120 |
| 23 | Electronics Engineering (Vlsi Design And Technology) | 120 |

8. Profile of Vice Chancellor

| | |
|---------------------------------|--|
| First Name | Prof. KANCHANA BHAASKARAN V S |
| Date of Birth | 03/06/1958 |
| AICTE Unique ID | 1- 3856874270 |
| Landline Number | 416-2249720 |
| Email | vc@vit.ac.in |
| Educational Details: | |
| Doctorate Degree | Ph.D (ECE) |
| Master Degree | M.S, (Systems and Information), FIE |
| Bachelors Degree | AMIE, (ECE) |
| Field of Specialization | Electronics and Communication Engg |
| Details Related to Profession: | |
| Date of Joining the Institution | 01th June, 2011 |

| | |
|--|-----------------|
| Exact Designation | Vice Chancellor |
| Work Experience Details: | |
| Teaching Experience (Years) | 37 Years |
| Research Experience (Years) | 3 Years |
| Industry Experience (Years) | 3 Years |
| Other Details: | |
| Projects Guided | 50 |
| Research Projects Guided – PhD | 7 |
| Papers Published - National Level | 27 |
| Papers Published - International Level | 140 |

9. Fee

The details of fee for the AICTE approved programs are given in the following web link in the institution website.

<https://vit.ac.in/admission/ug/fee-structure>

<https://vit.ac.in/all-courses/pg/m.tech-programmes>

Fee waivers/scholarship:

VIT motivates talented youngsters by offering scholarships / awards every year. Merit scholarships are awarded to class toppers while economically disadvantaged students are provided need-based financial assistance every year. Meritorious NRI and foreign students are also given scholarships. Free education is available for rural students who secure ranks at the District level (Tamil Nadu students only) & First Year admission scholarships for top rank holders in VITEEE are also given. GATE Toppers of M.Tech students are also given scholarship. In addition, scholarships are given to students who excel in sports and games. Financial assistance is also provided to students who wish to do their project work in partner Universities and institutions abroad, under the Semester Abroad Programme (SAP). To encourage students pursue active research, VIT awards appropriate research associateships to meritorious and needy students. 100% scholarships are awarded to first rank holders of State Board and Central Board students. Rs. 1418 Lakh worth of awards and scholarships are offered in the year 2021-22.

<https://vit.ac.in/scholarship>

<https://vit.ac.in/stars-support-advancement-rural-students-0>

Boarding and Lodging in Hostels:

VIT, Vellore campus has 24 Hostels. Out of which 18 blocks are boys' hostels and the rest are girls' hostels. The blocks, in total, cater to over 22,000 residents every year. Facilities and amenities include

- AC (Air-Conditioned) and Non-AC single and shared bed options.
- Rooms equipped with ergonomically designed furniture which includes a cot, chair, study table, study lamp, bookshelf and a cupboard.
- First aid centre, pharmacy, photocopy service, food kiosks, gymnasium (AC & Non-AC), swimming pool, sport amenities, laundry service, Wi-Fi service, beauty salon, tailoring unit, driving, dance and music classes, utility shop and visitor rooms.
- Residential Counselors, Wardens, Supervisors, maintenance staff and security guards available 24x7.
- Security guard to chaperone and safe transit students to and from the campus to the nearest railway station and bus stops for late night / early hours of the day.
- 24 hours water supply and power supply supported by stand-by captive generators.

11. Admission Procedure

Admission Procedure

Admission Process

- Selection is based on the rank secured through CBT (Computer Based Test).
- Selected candidates will be called for online counselling based on their ranking.
- Eligible Candidates may select specific campus and programme during the Counselling.

| | |
|--|---|
| Mention the admission test being followed, name and address of the Test Agency/State Admission | VIT Engineering Entrance Examination (VITEEE) |
| Authorities and its URL (website) - | https://viteee.vit.ac.in/ |

- **Calendar for admission:**

| | |
|---|--|
| Last date of request for applications | 05-04-2023 |
| Last date of submission of applications | 05-04-2023 |
| Dates for announcing final results | 26-04-2023 |
| Release of admission list (main list and waiting list shall be announced on the same day) | 26-04-2023 |
| Date for acceptance by the candidate (time given shall in no case be less than 15days) | 04-06-2023/22-06-2023 |
| Last date for closing of admission | 30-06-2023 |
| Starting of the Academic session | 07.08.2023 |
| The waiting list shall be activated only on the expiry of date of main list | -- |
| The policy of refund of the Fee, in case of withdrawal, shall be clearly notified | As per UGC Norms_ https://www.ugc.gov.in/pdfnews/6994492_Fee-refund-polict_0001.pdf |

12. Criteria and Weightages for Admission

| | |
|--|--|
| Describe each criterion with its respective weightages i.e. Admission Test, marks in qualifying examination etc. | Admission Test : VITEEE Applicant Should have secured minimum aggregate of 60% in Physics, Chemistry and Mathematics |
| Mention the minimum Level of acceptance, if any. | Minimum aggregate of 50% to SC/ST and to the applicants hailing from Jammu and Kashmir, North Eastern States of Arunachal Pradesh, Assam, Meghalaya, Manipur, Mizoram, Nagaland ,Sikkim and Tirpura. |
| Mention the cut-off Levels of percentage and percentile score of the candidates in the admission test for the last three years | VITEEE Rank |
| Display marks scored in Test etc. and in aggregate for all candidates who were admitted | https://vit.ac.in/files/VITEEE-2023-information-brochure.pdf |

List of Applicants (2023-24)

| PROGRAMME | APPL.RECEIVED | Exam Appeared/Shortlisted |
|-----------|---------------|---------------------------|
| B.TECH. | 224371 | 205664 |
| B.DES. | 372 | 58 |

13. Information on Infrastructure and other Resource Available

VIT campus is spread across a vast area of 372 acres. The remarkable aspect of VIT is the state-of-the-art infrastructure provided for both students and faculty. Fully furnished and well-equipped labs decorate every building in the University. Moreover, the campus is fortified with ample features that support diverse events - Auditoriums, plush open spaces, outdoor stages and much more.

Academic Blocks

A striking feature of VIT is the well-planned and comprehensive premises provided for both students and faculty. There are seven academic blocks i

n VIT which are extremely specialised in their own particular field, namely- MB, GDN, CDMM, SMV, CBMR, TT, SJT and GANDHI BLOCK. The layout has been excellently planned to make the maximum utilisation of the 372 acre campus. The idea behind these separate blocks is to make every block equipped with the necessary amenities whilst providing the perfect atmosphere for both studies and research.

<https://vit.ac.in/academic-blocks-geo-tagged-photos>

Auditoriums & Conference Facilities

VIT University firmly believes in providing its students exposure to national and international knowledge experts, through regular national and international conferences / symposia and workshops hosted on campus. It is with this view that a wide choice of modern conference facilities have been meticulously planned and incorporated into the VIT campus.

Anna Auditorium commonly used by students is nothing short of being a marvel. Able to accommodate 1800 students and spread over an area of 15436 sq. feet, it has been built with centralised air conditioners, Wi-fi service and a spectacular stage along with green

rooms and perfect amount of lighting. This auditorium is used for various events and conferences.

It is located beside the volleyball and basketball courts and serves as a landmark in VIT.

- Anna Auditorium (Seating capacity – 1800)
- Dr. M. Channa Reddy Auditorium (Seating capacity – 469)
- Dr. Ambedkar Auditorium (Seating capacity – 198)
- Kamaraj Auditorium (Seating capacity – 128)
- Era Sezhiyan Auditorium (at Gandhi block) (Seating capacity – 462)

<https://vit.ac.in/detailview/auditoriums-geo-tagged-photos>

Computing Facilities / IT Infrastructure

Centre for Technical Support (CTS) maintains the policies governing the use of VIT computing and IT communication resources. The IT Policy applies to the resources administered by the administrative departments such as Library, Computer Laboratories, Offices of the Institution, Hostels and Guest houses wherever the network facility was provided by the Institution.

Further, all the faculty, students, staff, departments, authorized visitors/visiting faculty and others who may be granted permission to use the IT Infrastructure, and must comply with the guidelines. Certain violations of IT policy laid down by VIT by any institution member may even result in disciplinary action against the offender by the institution authorities.

IT infrastructure has been widely spread across connecting 56 buildings with very high-speed robust network backbone. Our Computer network is built on CISCO switching platform with backbone running on 10Gig at present. 12000+ IP enabled devices are connected to this fast network. Understanding the demands of faculty and students to use digital media for their research, teaching & learning process, 13 Gbps of internet bandwidth is made available through three major Internet service providers.

Over 2231 WIFI access points are positioned across the campus to facilitate internet access to our students, faculty and guests while they are in the campus. Seamless internet access given to students through Hotspots and well planned WIFI network at Hostel rooms.

Number of Computers available to students for academic purposes 8293.

VIT has invested heavily in building up the energy efficient SmartRow Data Centre in 1000 Sq.Ft. area. The features include 10 Smart Row Racks, 3 Libert CRV In-Row Cooling

Solution, 90KVA Modular UPS with batteries, Fire Alarm Systems, Biometric Access Control Systems, CCTV and Remote Monitoring & Management Software. VIT maximizes the use of efficient energy solutions at the Data Center while minimizing the impact on the environment.

The comprehensive infrastructure includes 68 physical servers with 366TB of storage for Private Cloud with 220+ Virtual Machines and 500 Virtual Desktop Infrastructure (VDI) implemented for the students to work with engineering software anytime anywhere from any device. Our campus IT facility secured by implementing the best of the security solution from Palo Alto, McAfee, CISCO AMP and K7 which includes Next Generation firewall, Application firewall, Email Security, Advance Malware Protection, Endpoint Threat Protection, OpenDNS etc. For more details, please click the link given below:

Hostel Facilities

A home away from home, the hostels at VIT is more than four walls and a roof. They have been designed to provide a comfortable, safe, inclusive and secure living even as they provide opportunities to form lasting friendships and ease the transition from home to college. Residential staff is always available to support the students from different backgrounds to promote community. Living on campus provides students with opportunities to:

- Connect with a diverse population of people
- Develop stronger interpersonal and communication skills
- Engage in campus leadership, organizations and activities
- Establish relationships with faculty and staff members

Hostel review committee meetings are conducted once in 15 days by the hostel administrators to address students' queries and requirements, and to keep them updated on upgradation of services and events. Students are also given the privilege to give suggestions to improve the hostel facilities.

Campus Amenities

Every attempt has been done by the management and other administrative boards to assure that every student finds VIT a very lively, fun and resourceful community to employ their erudite years. Conscious of the influence these active years can have on the minds of the expectation of our nation and the globe, VIT endeavours to promote, introduce and expand any and all ventures to shape their minds. By bringing clubs, chapters and college festivals, students are not simply revealed to a competitive environment inside the university but also with reputed universities and colleges in and around the country.

VIT Central Library

The Central library spreads over an area of 7770 sq m with six floors (Excluding ground floor). It has specialized collections of books, journals & other resources in Mathematics & Sciences, Engineering and Technology, Biotechnology, Humanities, Social Sciences and Management ranging from printed books, e-books, back volumes and CDs\DVDs. The Central Library subscribes to national and international journals in print and e-Journals. The library has a video conferencing facility and NPTEL video courses, ePGpathashala, Swayam Programme and other E-Learning resources initiated by the Government of India. Central Library is using Koha software for Library automation and has implemented RFID technology with self-issue and return kiosk, WEB-OPAC (Online Public Access Catalogue), and online renewal facility.

Laboratory and Workshop

List of Major Equipment/Facilities in each Laboratory/Workshop is listed in the following links.

https://vit.ac.in/AICTE/VIT_Lab-List.pdf

<https://vit.ac.in/research-facilities/index.html>

Facilities for conduct of classes/courses in online mode

Online delivery of classes & exams

1. Microsoft Teams is the authorized / accepted platform for delivering all virtual classes.
2. Students are boarded in Microsoft Teams based on the list received from the Academic office / Admissions.
3. Faculty are given privilege to create Class Teams and enrol the students in their classes.
4. Class schedule have to be done by the respective faculty.
5. Teachers will take the Attendance, conduct Assignments & Quizzes
6. Recording of classes will be done only by the faculty
7. Recorded classes are made available to the students, if the student misses the class due to network/ power failure he/she will be authorized to view the recordings.
8. Microsoft Teams platform is used for giving assignments and conducting Quizzes and Tests.
9. FAT examination conducted using CodeTantra platform, where the faculty will be proctoring the students on live.

Facilities for conduct of courses in online mode

VIT Online learning Institute (VITOL) was started in 2019 with the objective of offering online education to aspiring learners around the Globe. This institute will cater to the needs of students and working professionals interested in pursuing higher education at their own pace and provides flexibility in Learning. The development in Information and communication Technologies paves way for taking education to the door step of learners. VITOL aims at creating and offering Programmes and courses in emerging areas with focus on quality, adhering to the regulations of statutory bodies. It has state-of-the-art facilities for developing and delivery of online programmes. It uses experienced faculty members from Academia and Industry to offer the Programs. It's a new flagship offering that draws

from the strength from VIT's rich academic history and experience. The link for VIT online programmes : <https://vit.ac.in/vitol/>

Institution Innovation Cell

The institution has institution Innovation Council (IIC) as per the guidelines of Ministry of Education (MoE), Govt. of India. The recent achievement of VIT –IIC cell is given below:

IIC-VIT Achievement – 2020-21

VIT is rated 4/5 stars for the Institutions' Innovation Council 3.0 (2020-21) Annual Performance under University Category. VIT is ranked one among 339 IIC institutions in India to have secured 4 stars. Also, VIT is among the Top 10 Universities in the Southern Zone (SRO).

Institute's Innovation Council (IIC), VIT ; Email: iic@vit.ac.in

Social Media Cell / Student Outreach Department

The Department of Student Outreach showcases the happenings on campus through the official social media handles and disseminates useful information through the website. The Department collaborates with the schools, centres and other administrative offices to provide publicity through digital media, thereby improving the reach of various events, programmes and news updates on campus.

Games and Sports Facilities

Sports Community achieve a healthier lifestyle while coping with the highly demanding study environment, one needs to be healthy, both emotionally and physically. As a part of this process, VIT emphasizes the importance of sports and considers them as an integral part of the curriculum. VIT has a number of centers for physical education and sports activities that help the students maintain physical fitness and develop a competitive spirit. Its numerous outdoor playgrounds and indoor courts are spread over a vast area.

The Department of Physical Education was set up in the year 1984. The Department of Physical education is located in VIT Shopping Complex. This complex has a magnificent air conditioned gymnasium and Snooker Hall. A separate fitness centre for men and women has also been established in the respective Hostels. A swimming pool of international dimension is also available in the campus.

At VIT students are groomed to be complete personalities. In order to be mentally and physically fit, VIT provides state of the art facilities with many play grounds, stadium, indoor courts as well as a number of centres for physical education & sporting activities that help students stay as fit as a fiddle and to develop a spirit of sportsmanship. In order to encourage the students in sports activities the Department of Physical Education conducts Intramural tournament in various sports and games for Men and Women separately. The Department of Physical Education conducts selection trials to raise University teams in various disciplines for Inter University and other tournament. The Department of Physical Education organizes various inter-university, state level and national level tournaments every year, and Smt. Rajeswari Viswanathan Memorial tournaments for schools and colleges.

VIT offers several scholarships and monetary awards in sports to encourage outstanding performers and medalists in sports every year. Department of Physical Education feels

concerned about the health and fitness of VIT employees also and organizes a tournament for them every year. The main objective is to inculcate sports consciousness, encourage skill development, provide recreation and promote the values of integrity, among the Students.

Extra-Curricular Activities

<https://vit.ac.in/campus-category/Clubs>

<https://vit.ac.in/campus-category/Chapters>

Soft Skill Development Facilities

<https://vit.ac.in/capability-enhancement-schemes>

Teaching Learning Process

Teaching at VIT is structured around the schools of study. A student is registered in one of the schools, depending on the degree/programme he/she is interested in pursuing. In the Academic Year 2023-2024, VIT offers 24 Undergraduate, 23 Post Graduate and 3 integrated (M.Tech) AICTE approved programmes. Choice Based Credit System is followed and the courses are categorized as per the requirements of the statutory authorities. Ability enhancement and Skill enhancement courses are part of the curriculum. VIT has also approved a list of courses offered in SWAYAM platform and students can claim credit transfer upon successful completion of those courses, and can satisfy the credit requirement under the University Elective / Open Elective category. Emphasis is given on activity based learning.

In the continuous pursuit of academic excellence and creating a student-friendly learning environment, VIT introduced the Fully Flexible Credit System (Shortly referred to as FFCS). FFCS is a way in which students have complete freedom in tailoring their course and in a way they wish. It accommodates the wants and needs of the entire student community. With this system, a student can prepare his/her own timetable with the specific courses he/she intends to do in that semester along with the timings of classes and choice of professors. Learning has never been this fun. Students have the flexibility to pursue their other interests in sports or club activities and scheduling of classes will take it along the

way. It is a beneficial system that is tailor-made to suit all the kinds of students with all learning needs, whether someone wishes to complete subjects early or pursue subjects of the other branches for acquiring a Minor/Honours degree. In addition, this system ensures offerings of subjects from all disciplines, encouraging students to pursue multiple interests and develop holistically.

Salient Features

- Choice in the order of selection of courses for each semester.
- Choice in the timings / time slots in the selection of courses.
- Choice in the selection of number of courses per semester.
- Choice of preparing his / her own Timetable and Academic Plan.
- Balanced curriculum with engineering, science, humanities and management courses.
- Ample opportunities to do inter-disciplinary courses.
- Soft on slow learners by offering important / common courses in all semesters.
- Optional Summer / Intersession semester to do courses.
- Opportunity of under graduate research experience.
- Value addition with double Major / Minor / Honours option.
- Branch change option in B.Tech. at the end of first year.

14. Placement details of students in the last 5 years

The CDC centre plays an integral role in creating the illustrious placement record of VIT. It ensures smooth functioning of the placement activities in the campus. The centre further facilitates training activities of the students and makes sure they get placed in the best of both national and international companies.

| PLACEMENT CALENDAR | | |
|------------------------|---------------------|--------------------|
| Category | Stipend / CTC (INR) | Placement Calendar |
| M.Tech Internship | 10K - 45K per month | June to July |
| Super Dream Companies | 10 lakhs and above | July to August |
| IT Services Companies | 3 - 5.5 lakhs | September |
| Dream Companies (IT) | 5.5 lakhs and above | August to May |
| Dream Companies (Core) | 3 lakhs and above | August to May |
| MBA | 4 Lakhs and above | September to May |
| M.Sc | 2.5 Lakhs and above | July to May |
| 3 Year UG | 2 Lakhs and above | September to May |

15. Research Projects/ Consultancy Works

The office of Sponsored Research and Industrial Consultancy (SpoRIC) supports the faculty, students and administration in all aspects of their work associated with sponsored research, consultancy and training. VIT is equipped with latest laboratory facilities and tools that facilitate the students and faculty in research work. VIT is committed to provide excellence in fundamental, applied research as well as development of innovative technologies for the future. Within a short span of time, it has executed many major R&D projects and consultancy services to Government agencies, public and private sector industries and international institutions. VIT's research strength lies in the strength of Faculty, Research Scholars and Students in addition to extensive modern facilities and collaboration with leading academic and research organizations within and outside the country.

Sponsored Project – Government Agencies

<https://vit.ac.in/research/sponsored-projects>

The VIT seed grant is a funding initiative to encourage faculty to pursue competitive research in emerging areas of national and international importance. The research activities are supported under the following schemes: Multidisciplinary/Transdisciplinary Research; and Process/Product Development.

<https://vit.ac.in/research/vit-seed-grant>

Industry Linkage

- The inclusion of 8th-Module - Industry Guest Lecture- in all the courses has led to strong interactions between the institute and industry.
- From the Technical Answers for Real word Problems (TARP) course, the students are able to apply their subject knowledge into real-world problems of the industry.
- The project-based internships is a good learning process which brings new perspectives and is up to date with the industry trends.
- More than 15 industry-sponsored labs help the students to learn the concepts practically through interaction and working methods.
- Regular industry conclave meetings in every school are further strengthening our interactions with industry and its technology road maps.
- Periodic industry visits help students to update their understanding of the subject and the industry practices in each domain.
- Preparing and inspiring student minds (PRISM) is an innovative project experience organized in collaboration with Samsung.
- Industries like Honeywell, JCI, Microsoft, Texas instruments innovation challenge,

Makeathon, Codeathon, Buildathon and Hackathon activities are regularly conducted in VIT to address real world problems faced by the industry.

- Industry practitioners and standards organizations conduct codes and standards concept to our students every year.
- Industry mentors help our students through various entrepreneurship camps
- Innovative project collaboration between industry and VIT is done through cooperative knowledge creation and exchange.

Students Publications from projects

Inculcation of Research Culture at grassroots level is the most distinctive character of VIT.

VIT has been committed to research by treating it as the epicenter of growth and development in all directions. Such an approach has always been driven by the farsightedness of a robust research culture that is imperative for building an ideal society which aims at development of the people and the country in its entirety. This would in turn, mean that research culture is fundamental to the growth of a society, as it would groom a potential and knowledgeable population with high sense of rationality

MoUs with Industries

There are 113 functional MoUs with institutions/ industries in India and abroad for internship, on-the-job training, project work, student / faculty exchange and collaborative research during the last five years. The sample list is given below:

Danfoss Industries Private Limited, Chennai, Johnson Controls Pvt. Ltd, Omni Active Health Technologies Ltd Mumbai, Organica Biotech Pvt Ltd Mumbai, PA Footwear Pvt Ltd,

Ultramarine and Pigments Ltd Ranipet Vellore, Valeo India Pvt Ltd, Cisco Systems India Pvt Ltd Bangalore, Dassault Systems, Daimler India, L & T Chennai, Ramco Industries, Ericsson India Global Services Private Ltd, Lectra Software, ALSTOM T&D India Ltd., Chennai, LUCAS TVS Ltd., Chennai., CMC Vellore, etc.

16. LoA and subsequent EoA till the current Academic Year

| Academic Year | Link for the AICTE LoA / EoA Letter |

| 2023-24 | https://vit.ac.in/AICTE/2023-24-AICTE-Vellore-Campus-EoA.pdf |

17. Best Practices adopted

Some of the best practices followed at VIT are:

- Fully Flexible Credit System (FFCS)
- Semester Abroad Programme
- Under Graduate Research culture
- Strong Industry-Institute Integration
- Additional foreign languages offered
- International placement
- 203 functional Student Clubs and Chapters for overall development
- STARS – fully funded education for economically challenged students
- Start-up and IPR culture with TBI and IPR Cell
- Cashless financial transactions ensures transparency
- Budget based expenditure with autonomy to Directors and Deans
- Extensive digitisation of all academic, research and administrative processes
- Inculcation of Research Culture at grassroots level is the most distinctive character of VIT.
