VIT ®
Vellore Institute of Technology
(Deemed to be University under section 3 of UGC Act, 1956)

EduVance ®

Global skill development centre, VIT offers in assocation with Eduvance

Industrial Training Program on Machine Learning and Embedded Systems with IoT

Training duration: 30 Days   **Fees: 5000/- (GST inclusive)**

Course Content:

- Phase I
Machine Learning using Python
- Phase II
Embedded System Design
using PIC MCUs

Course Projects:

ML Projects
- Diamonds Data Analysis
- Grocery Cart Application
- Iris Dataset Classification

PIC Projects
- LED PWM intensity control
- Data Acquisition System
- IoT-Cloud Based Data Logging

Used cases: Wearables, Biomedical, IoT

Graded and verifiable certificate

IBM
EdTech Partner

MICROCHIP
Certified Trainer

MPLAB ®
X IDE

For Registration Contact:

Batch starts on 27th July Onwards

Dr. Prakash R: +91 638344710 (prakash.r@vit.ac.in)

Dr. Sasikumar P: +91 9442027059(Sasikumar.p@vit.ac.in)
