

VIT[®]
Vellore Institute of Technology
(Deemed to be University under section 3 of UGC Act, 1956)

Two Day National Workshop

on

“Time Series Econometrics with the applications of EViews software”

05-11-2022 & 06-11-2022

Organized by

Department of Social Sciences

School of Social Sciences and

Languages, VIT, Vellore - 642 014

❖ About the Workshop

The workshop has been organized to encourage the young minds and faculty members so that they get the basic knowledge and understand the concepts in Time Series Econometrics with the Application of EViews software.

❖ Objectives

The objectives of the workshop are:

- To strengthen the basic knowledge in Time Series econometrics.
- To train the participants with hands-on use of EViews econometrics software.
- To conduct experiments and various tests, with real world time series data.

❖ Who Should Participate

College/University faculty members, working professionals and research scholars from finance and economics domains.

❖ Relevance

Empirical research is the focus of the academicians and scholars today. This workshop intends to strengthen the skills of young researchers and faculty members who are pursuing empirical research in their respective domains. Further, the wide variety of data analysis softwares requires that the users have basic understanding of statistical tests and methods they apply and also to familiarize the participants on these tests and methods.
