About Vellore Institute of Technology (VIT)

VIT was founded in 1984 as Vellore Engineering College by the Chancellor Dr. G. Viswanathan. From its humble beginning, the institution has grown exponentially to that of having more than 33,000 students. Students from all the states of India and from more than 50 countries are studying at VIT. University status was conferred in 2001 by MHRD Govt. of India in recognition of its excellence in academics, research and extracurricular initiatives. Currently, VIT has 4 campuses in Vellore, Chennai, Amravati (AP) and Bhopal (MP). The National Institutional Ranking Framework (NIRF) of the MHRD, Government of India, has identified VIT as the best Private Engineering Institution in India in the years 2016, 2017, 2018 and 2019. VIT has been awarded as No.1 Private Institution for Innovation (ARIIA 2019 Award) by Govt. of India. VIT has gone for accreditation by NAAC [India], IET [UK], and ABET [USA] and follows world class academic processes. VIT is the first and only University in India to get 4-star rating from QS, the World Universities Ranking Organization. Govt. of India recognizes VIT as an Institute of Eminence (IoE) in 2019 to become the world's best.

GCP Workshop Objectives

The objective of this workshop is to give great exposure for students, experts and young researchers to be productive with Google Cloud Platform. Google Cloud Platform is a growing collection of integrated cloud services like analytics, computing, database, mobile, networking, storage and web for moving faster, achieving more and saving money.

Overall, the main motive of this workshop is to provide a great opportunity for faculty, students and researchers to know the basics and upgrade their knowledge in Google Cloud Platform.

Topics to be covered in the session

- Introduction to the fundamentals of Google Cloud Platform
- Deploying, migrating, and maintaining applications in the cloud.
- Designing, building, analyzing, and optimizing big data solutions.
- Real-time case studies.

Who Can Apply

UG/PG Students, Research Associates (RA), Academicians and Industry delegates are eligible to apply for the workshop. Limited seats are available for the workshop. Participants will be selected among the applicants to ensure representation from more institutions.
