ABOUT THE WORKSHOP

India's position in terms of intellectual property is lower than that of nations like the United States, Japan, France, Germany, China, and so on, according to international rankings. Even though there are numerous elements that contribute to that, one of the main issues is the absence of the necessary IPR knowledge among Indian academics. This workshop will enlighten our minds and motivate our academicians to work towards the accomplishment of Patenting.

TOPICS TO BE COVERED

Session 1: Intellectual Property (IP) and IP Rights (IPR)
