

VIT[®]

Vellore Institute of Technology
(Deemed to be University under section 3 of UGC Act, 1956)

One day Online National workshop on **Simulators for IoT applications**

07th October 2023 (Saturday)

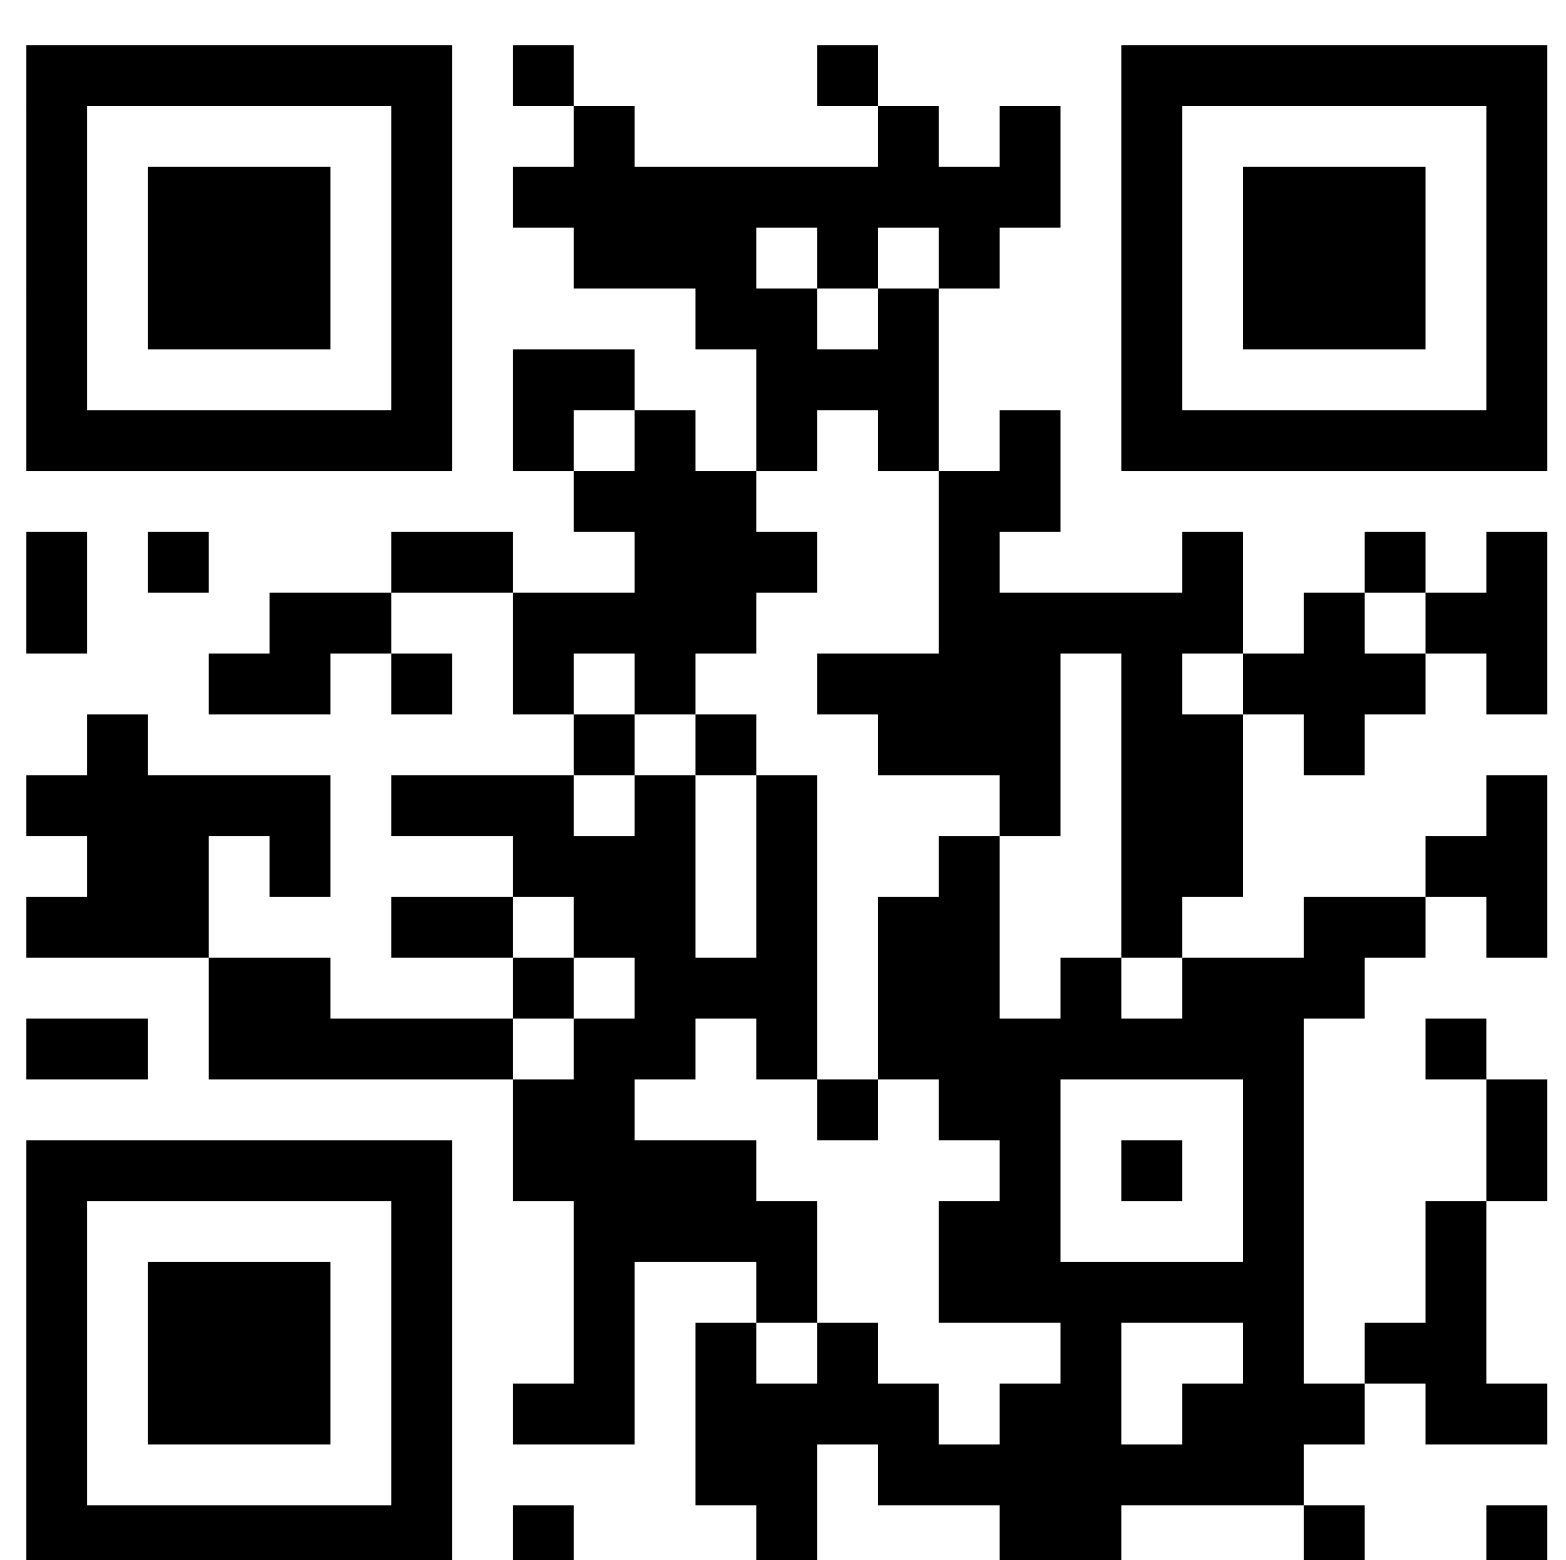

Using simulator you can simulate IoT systems and also test the performance of real apps over virtual networks. IoT Device Simulator solution helps you to test device integration and improve performance of your IoT backend services, via an intuitive web-based GUI.
