Languages. The school offers Master of Social Work, B.Com in Banking & Capital Markets, Financial Technology, Business Process Services) and Ph.D. programmes in Commerce, Economics, Tamil, English, Psychology, Sociology, Social Work, History, International Relations and Hindi.

About the Department

The Department of Social Sciences was established at VIT in 2009 under School of Social Sciences and Languages, to enhance the knowledge, impart necessary skills and develop attitudes of the future citizens. The department offers Postgraduate programme in MSW, Minors in Economics, Finance and Ph.D. programmes in Sociology, Social Work, Psychology, Economics, History, and International Relations. The department also offers courses on Social Sciences for UG programmes of both engineering and non-engineering disciplines to enable the learners to avail opportunities across the globe. The courses offered cover major domains like, Economics, Music, History, International Relations and Ethics and Values.

About Master of Social Work (MSW)

MSW is a two-year postgraduate programme. The most compelling rationale for developing an MSW Programme at VIT University is to broaden

its mission of serving society. The MSW programme is a postgraduate qualification for those looking to practice as qualified social workers. The programme offers three specializations such as Medical and Psychiatry, Community Development and Human Resource Management. Those who are completing the MSW programme will get the opportunity to serve as medical social worker, psychiatric social worker, family counsellor, welfare officer etc.

About the Seminar

The Seminar is the dissemination of project work carried out by the social work students. The period of project work was four months. The students were monitored and guided by the faculty supervisors in the Department of Social Sciences. In this seminar students will present their entire research study. The studies were conducted in various domains of the society. External evaluators will be invited from academic and field domains to evaluate the research project work carried out by the students. The seminar is open for registered participants.
